

PLEASE READ THIS AGREEMENT CAREFULLY AND KEEP A COPY FOR YOUR RECORDS.

- 1. INTRODUCTION.** This Agreement sets forth the terms and conditions of the online banking and mobile banking services (collectively, "**Digital Banking Services**" and each, a "**Service**"), offered by **Sacramento Credit Union**. In this Agreement, "**you**" refers to each owner and authorized signer on the accounts that may be accessed through the Service. The terms "**we**," "**us**" and "**Credit Union**" refer to Sacramento Credit Union. This Agreement supplements, and supersedes where inconsistent, the terms of your account agreement with us. Your use of the Digital Banking Services will be deemed evidence of your agreement to these terms. Digital Banking Services include, without limitation, services that allow you to access your account information, make payments, transfer funds and conduct other banking transactions through the Site ("**Online Banking**"), or from your mobile device ("**Mobile Banking**"). Certain other capitalized terms used in this Agreement are defined in the "Definitions" section below.
- 2. AGREEMENT ACCEPTANCE.** You must read and accept the terms of this Agreement. If you choose not to accept the terms and conditions of this Agreement, your access to Digital Banking Services will not be activated. By accepting this Agreement, you are agreeing to the terms and conditions for all Digital Banking Services whether or not you use them. This Agreement controls all general aspects of your use and access to Digital Banking Services, including, among other things, the use of your "**Electronic Signature**" (as defined below). The terms and conditions of this Agreement pertaining to a particular Service will become applicable at the time when you request access to such Service. When you use or access Digital Banking Services, or permit another person to use Digital Banking Services on your behalf, you acknowledge receipt of this Agreement and agree to be bound by all terms and conditions contained herein, and all applicable terms and conditions contained in other agreements between us and you governing your accounts accessible in connection with Digital Banking Services. You further agree to follow all instructions provided in connection with Digital Banking Services
- 3. OTHER AGREEMENTS.** The terms and conditions of this Agreement are in addition to the terms and conditions of any and all other account agreements, including all disclosures made pursuant to such agreements that you have with Sacramento Credit Union. These terms and conditions supplement and do not replace the Disclosure of Account Information applicable to your account(s) with Sacramento Credit Union.
- 4. AGREEMENT TO RECEIVE ELECTRONIC COMMUNICATIONS.** You agree to receive in electronic format, by electronic mail, website posting or through logged-in website interaction, all Communications related to Digital Banking Services. "**Communications**" means this Agreement, including information that we are required to disclose under the Electronic Fund Transfer Act ("**EFTA**") and its implementing Regulation E, and any amendments, disclosures, notices, privacy policies, and any information that we are required by law to provide to you in writing, and any notice regarding hardware or software changes or access to the Site. Once you have enrolled in Digital Banking Services, periodic updates to this Agreement and other Communications related to your account(s) will be provided electronically only. You may withdraw your consent for receiving electronic Communications at any time. To withdraw your consent, contact us at **(916) 444-6070** or write to us at Sacramento Credit Union, P.O. Box 2351, Sacramento, CA 958122351. To access and retain the Communications electronically, you must have a working connection to

the Internet and software that permits you to receive and access the Communications. If you are unable to receive electronic documents, you must notify us. This Agreement is available for viewing online at any time, and can be downloaded or printed using your computer and a printer. You may request a paper version of this Agreement or any other Communication we provide to you electronically by contacting us at **(916) 444-6070** or by visiting our website sactocu.org.

Electronic Signature. By selecting "Accept" at the end of this document you are signing this Agreement electronically and you agree that you will be legally bound by its terms and conditions. You further agree that your use of a key pad, mouse or other device to select an item, button, icon, or similar act/action, or to otherwise provide Sacramento Credit Union instructions via Digital Banking, or in accessing or making any transaction regarding any agreement, acknowledgement, consent terms, disclosures, or conditions constitutes your signature, acceptance, and agreement as if actually signed by you in writing (your "**Electronic Signature**"). You also agree that no certification authority or other third-party verification is necessary to validate your Electronic Signature and that the lack of such certification or thirdparty verification will not in any way affect the enforceability of your Electronic Signature or any resulting contract between you and us. You also represent that you are authorized to enter into this Agreement for all persons who own or are authorized to access any of your accounts and that such persons will be bound by the terms of this Agreement.

5. DIGITAL BANKING

- a. **Description.** Digital Banking Services through desktop or mobile devices provide various services, including, but not limited to, access to your account information, make payments, transfer funds, and receive online statements. You will be automatically enrolled in Mobile Banking when you enroll in Online Banking and vice versa.
- b. **Eligibility.** To be eligible for Digital Banking Services, you must be a member of Sacramento Credit Union in good standing. Joint owners are eligible for Digital Banking Services; provided that only one set of Digital Banking Credentials, such as username and password, will be issued for joint accounts. By using each of Digital Banking Services, you represent that you meet these requirements and that you agree to be bound by this Agreement. We reserve the right to refuse enrollment to any member and to terminate your enrollment in any or all Digital Banking Services.
- c. **Access.** To access Digital Banking Services, you will need a personal computer or mobile device with Internet access and a supported Internet browser. You also need Digital Banking Credentials, such as your username and password. You can access your Sacramento Credit Union accounts and process transactions through Digital Banking 24 hours a day, 7 days a week, except as otherwise provided herein.
- d. **System Unavailability.** Access to Digital Banking Services may be unavailable at times due to system maintenance or circumstances beyond our control. We will make all reasonable efforts to ensure the availability of Digital Banking Services; however, we are in no way liable for system unavailability or any consequential damages that may result.
- e. **Notification and Changes in Terms and Conditions.** The terms and conditions of this Agreement may be modified or amended by us at any time. When changes are made, we will update this Agreement on the Site on or before the effective date, unless an immediate

change is necessary to maintain the security of the system or unless a law, rule or regulation requires that it be updated at an earlier time. Any notification, required or appropriate, will be mailed or made available to you online. We may change or amend any part of this Agreement, including changes in terms, conditions and fees, as long as we give you advance notice as required by law. Your continued use of Digital Banking Services after notification of changes will be considered your agreement to be bound by all such changes.

- f. Email Capabilities and Limitations.** Online Banking includes email capabilities allowing you to send and receive secure electronic email messages to and from us. We will not immediately receive and review email messages that you send. We may not act upon requests for stop payments, requests for replacement passwords, reports of lost or stolen passwords or unauthorized transactions, reports of lost or stolen credit, debit and ATM cards, or on any other request in which we would normally require written notification or your authorizing signature, without first confirming the authenticity of the email request/notification via telephone. In some instances, written confirmation reflecting your authorizing signature may still be required. We will not take action based on your email requests until we actually receive your message and have a reasonable opportunity to act. If your request requires immediate attention, contact Member Services at **(916) 444-6070**.
- g. Digital Banking Credentials.** Your Digital Banking Credentials give access to your account(s) through Digital Banking. During your enrollment, you are required to select a username and a password for use with Digital Banking. As a security measure, we will require you to complete additional verification steps before allowing you to access Digital Banking Services. For example, when you attempt to login from a computer or a mobile device we do not recognize, we will ask you to verify your identity by entering a verification code that will be sent to your phone number or email address of record with Sacramento Credit Union.
- h. Security.** Your Digital Banking Credentials are confidential and should NOT be disclosed to others or recorded on documentation or records located on or around your personal computer or mobile device. You agree to maintain the confidentiality of your Digital Banking Credentials at all times. You also agree to take reasonable precautions to safeguard your Digital Banking Credentials. Digital Banking allows you to change your password. For your protection, you should change your password frequently. If you forget your password or your system access is disabled due to the use of an incorrect password, you must contact Member Services at **(916) 444-6070** to have a temporary password issued to you.

Because your Digital Banking Credentials are the principal security measures used to protect access to your accounts through Digital Banking, you agree not to give or make available any of your Digital Banking Credentials to any unauthorized individuals, and you agree to be responsible for all actions taken by anyone to whom you have provided your Digital Banking Credentials. You are responsible for all payments you authorize using Digital Banking Services. If you disclose your Digital Banking Credentials to another person, we may treat such disclosure as your authorization to that person to transfer or withdraw funds from your account(s). If you authorize anyone to use your Digital Banking Credentials, then that authority shall continue until you specifically revoke such authority, including by changing the password or notifying us and obtaining a replacement password. If you disclose your Digital Banking Credentials and/or any other means to access your accounts through Digital Banking to anyone, you assume all risks and losses associated with such disclosure. This means that you are responsible, to the extent permitted by law, for any transactions and

activities performed from your accounts by such person or entity, even those you did not intend them to make. If you fail to maintain security of your Digital Banking Credentials and we suffer a loss, we reserve the right to terminate your access to Digital Banking as well as other deposit and loan services.

- i. **e-Statements.** You may request to receive your account statements online only ("**eStatements**"). You may request e-Statements by clicking on the e-Statements tab, following the required steps, and agreeing to the terms of the Consent to Receive e-Statements/eAlerts/e-Notices.

6. ELECTRONIC FUND TRANSFERS

- a. **Coverage.** The EFTA and its implementing Regulation E govern some of the transactions subject to this Agreement, and some terms and conditions included in this Agreement are required by federal law. The following disclosures apply to all electronic fund transfers, as defined in Regulation E, conducted to or from consumer accounts through Digital Banking Services, including, without limitation, electronic fund transfers conducted through Bill Pay Service and Pay-A-Person (P2P) Payment Service.
- b. **Your Responsibility and Liability for Unauthorized Transfers.** You are responsible for all transfers and payments you initiate and authorize using Digital Banking. You are also responsible for monitoring the confidentiality and security of your Digital Banking Credentials. If you permit other persons to use Digital Banking and your Digital Banking Credentials, you are responsible for any transactions they authorize from any of your accounts. Notify us immediately if you believe that your password or any other Digital Banking Credentials have been lost or stolen, that someone has used them or may use them to access your accounts, or that any electronic fund transfer or any other transfer of money has been made without your permission.
- c. **Limits on Transfers and Transactions.** There may be limits on the number or value of transactions you may initiate through Digital Banking. Transfers will be allowed if collected funds are available in your account or sufficient credit is available on your line of credit. You cannot initiate transfers using Digital Banking to or from certificate accounts, individual retirement accounts, or any restricted accounts.
- d. **Transaction Limitations on Savings and Money Market Accounts.** You are allowed a total of six (6) transfers and withdrawals by automatic overdraft, telephone transfers, personal computer transfers, mobile device transfers or preauthorized transfers per calendar month from your savings or money market accounts.
- e. **Finance Charges on Loan Transfers.** Each transfer made from your credit card account, home equity line of credit account or any other revolving line of credit account you may have with us, is considered a cash advance. There may be cash advance fees associated with certain line of credit accounts, and finance charges will begin to accrue from the effective date of each loan transfer in accordance with the terms of your credit agreement(s).
- f. **Funds Availability and Accrual of Dividends.** Funds from electronic fund transfer credits/deposits will be available 7 calendar days after the date of deposit. Dividends begin to accrue on the effective date of the transfer.
- g. **Future Dated Transfers.** Future dated transfers are transactions that can be scheduled up to one year in advance of the desired transaction date. All future dated transfers will be processed at 1:00 p.m. Pacific Time on the scheduled date of transfer.

- h. Frequency of Transfers.** Transfers can be requested for one time only or scheduled to automatically recur weekly, monthly, quarterly or annually. Recurring transfers can be open ended and continue indefinitely until canceled, or they can be limited to a specific number of occurrences as established by you, subject to the transaction limitations on savings and money market accounts.
- i. Processing Dates, Funds Availability and Cancellation Instructions for Transfers.** For transfers that are to be processed on the date they are initiated, funds are immediately deducted from your account and cannot be canceled for any reason once the transfer request has been completed. Sufficient funds must be available in the account from which the transfer is being made at the time of transfer. For future dated transfers, sufficient funds must be available in the account from which the withdrawal is being made no later than 1:00 p.m. Pacific Time on the scheduled transfer date. Any request to cancel or delete a future dated transfer must be made prior to 1:00 p.m. Pacific Time on the transaction date.
- j. Electronic Presentment and Payment of Checks.** In some cases when you write a check to a merchant in payment of goods or services, the merchant may present that check electronically for payment instead of sending us the paper check. Generally, merchants who make use of electronic presentment of checks will inform you of their intention to do so at the time you give them your check. When we receive these items in electronic form, they will be debited against your account the same as if we had received the actual paper checks; however, these transactions are covered under the provisions of the EFTA. When you provide information to a merchant from your personal check (such as the MICR encoded routing, account and serial numbers), and the check is converted into an electronic fund transfer to debit the funds from your account, this is covered under the provisions and protections of the EFTA.

When a paper check has been returned unpaid to a merchant because there are not sufficient funds in your account to cover it, the merchant may re-present the check to us electronically. The check represented electronically can be processed as an ACH payment up to three (3) times until it clears (that includes the first presentment, which may or may not have been in check form). Re-presented check entries, which result from the original check being processed in paper form, are NOT covered under the EFTA; they are covered by the UCC, and Regulation CC.

If you wish to place a stop payment order on a check that you have given to a merchant who intends to present it to us electronically, we must receive your stop payment order in the manner required by law and in such time and manner that allows us a reasonable opportunity to act upon it before we receive the electronic debit entry.

- k. Right to Stop Payment on Electronic Transfers.** A stop payment order cannot be placed once an electronic fund transfer has been initiated by you and accepted by the system, or a bill pay transfer has been made and your account has been debited on the scheduled payment date. If you have made a transfer in error, you must reverse the transaction by initiating a correcting transfer. Please note that transfers cannot be corrected via Digital Banking when made as transfer/payments to closed-end loan accounts. Contact us immediately if you require reversal of these transactions or need additional assistance. For further information on placing stop payments on bill pay transfers before payment is made, refer to the "Bill Pay"

section below. You agree to indemnify and hold us harmless against any and all claims you or any third party may have arising from or in connection with your failure to timely request a stop payment in accordance with the terms and conditions of your agreements with us.

- i. Stop Payment on Preauthorized Payments.** If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Contact our Member Services at **(916) 444-6070**, in time for us to receive your request three (3) Business Days or more before the payment is scheduled to be made. If you call, we may require you to put your request in writing and deliver it to us within fourteen (14) days after your call. Unless you notify us otherwise, we will treat your stop payment order as a request to stop payment on one particular payment. If you want all future payments to a particular party stopped, you must specifically advise us of your intention. We will charge you for each stop payment order in accordance with our Fee Schedule. If you order us to stop one of these electronic payments three (3) Business Days or more before the transfer is scheduled to be made, and we do not do so, we will be liable for your losses or damages proximately caused by us.
- m. Confidentiality.** It is our general policy to treat your account information as confidential. However, we will disclose information to third parties about your account or the transfers you make in the following situations: (a) where it is necessary for completing transfers; (b) to comply with government agency or court orders, such as a lawful subpoena; (c) to persons authorized by law in the course of their official duties; (d) to a consumer reporting agency as defined by applicable law; (e) to our employees, auditors, service providers, attorneys or collection agents in the course of their duties; (f) to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; (g) as disclosed in our privacy notice previously delivered to you; (h) if you give us your written permission; or (i) as otherwise permitted by applicable law.
- n. Fees and Charges.** We do not charge fees for making electronic fund transfers; however, other fees and charges associated with your account(s) will continue to apply. There may be fees and charges related to the Bill Pay Service, Pay-A-Person (P2P), External Transfer, ACH, and Wire Transfer Service if used by you. Refer to our Fee Schedule for details on fees and service charges. You are solely responsible for the payment of any Internet service provider, telephone and utility company charges incurred in connection with accessing Digital Banking Services.
- o. Our Liability.** If we do not complete a transfer to or from your Account on time or in the correct amount according to our agreement with you, we may be liable for your losses and damages; however, there are some exceptions. We will NOT be liable, for instance:

 - i. If, through no fault of ours, you do not have enough available funds in your Account to make the transfer;
 - ii. If the transfer would exceed any permitted overdraft line you have with us;
 - iii. If circumstances beyond our control (such as fire, flood, power failure, labor dispute, computer breakdown, telephone line disruption, or a natural disaster) prevent or delay the transfer despite reasonable precautions taken by us;
 - iv. If the funds in your account are subject to legal process, an uncollected funds hold, or are otherwise not available for withdrawal;
 - v. If the password or transaction information or other information you have provided is incorrect, incomplete, ambiguous, or untimely;

- vi. If the system was not working properly and you know or have been advised about the malfunction before you execute the transfer;
- vii. If you are in default on an account to which you are attempting a transfer; or
- viii. There may be other exceptions stated in our agreement with you.

In addition, we will also have no liability whatsoever for failure to complete a payment or transfer you initiate or attempt to initiate through Digital Banking under any of the following circumstances:

- ix. If you did not properly follow software or Digital Banking instructions on how to make the transfer or payment;
- x. If you did not give us complete, correct and current instructions or information to process your transaction request, including, without limitation, the Eligible Transaction Account, External Account and Biller information; xi. If you did not authorize a payment soon enough for the payment to be made, transmitted, received and credited by the payee/vendor;
- xii. If we made a timely payment but the payee/vendor did not promptly credit your payment after receipt;
- xiii. If your personal computer, mobile device and/or software malfunctioned for any reason;
- xiv. If the transfer or payment could not be completed due to system unavailability or a telecommunication or Internet service provider service failure; or xv. If we blocked the transfer to protect the integrity or security of the system.

- p. **Errors or Questions.** In case of errors or questions about your electronic fund transfers, you should notify us as soon as possible by calling Member Services at **(916) 444-6070**, writing us at Sacramento Credit Union, P.O. Box 2351, Sacramento, CA 95812-2351, or sending us a secure message through Digital Banking. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

7. TRANSFERS

- a. **Internal Transfers.** You may use Digital Banking to make one-time or recurring transfers between eligible accounts held with us. Internal transfer can be transfers between your Sacramento Credit Union accounts, or transfers to another member's Sacramento Credit Union account. We reserve the right at any time to restrict or prohibit transfer capabilities on specific types of accounts.
- b. **External Transfers.** You may use Digital Banking Services to transfer funds between your Sacramento Credit Union accounts and your accounts at other financial institutions ("**External Transfer Service**"). Sacramento Credit Union account types that qualify as eligible accounts for the External Transfer Service include checking, money market, and savings. Other financial institutions may have restrictions regarding transfers into and out of various accounts. We are not responsible for any costs or losses arising out of transfers that are not permitted by another financial institution. Please refer to your other financial institution's terms and conditions relating to incoming and outgoing transfers. The following types of transfers are available through the External Transfer Service: (1) a one-time transfer for which processing is initiated immediately, (2) a one-time transfer for which processing is

initiated at a later specified date, and (3) a recurring series of transfers for which processing is initiated on the specified dates.

- i. **Authorization.** You represent and warrant that you are either the sole owner or a joint owner of the eligible accounts and the external accounts and that you have all necessary legal right, power and authority to transfer funds between the eligible accounts and the external accounts. You represent and warrant that the external accounts are located in the United States.

When we receive transfer instructions from you, you authorize us to (i) debit your eligible account and remit funds on your behalf to the external account designated by you and to debit your applicable account for any service fees and additional charges associated with the External Transfer Service as disclosed in our Fee Schedule; or, as applicable, to (ii) credit your eligible account and remit funds on your behalf from the external account designated by you and to debit your applicable account for any service fees and additional charges associated with the External Transfer Service. You also authorize us to reverse a transfer from the applicable account if the debit is returned from the other account in the transaction for any reason, including, but not limited to, nonsufficient funds.

It is your responsibility to ensure the accuracy of any information that you enter into the External Transfer Service, and for informing us as soon as possible if you become aware that this information is inaccurate. We will make a reasonable effort to stop or recover a transfer made to the wrong account once informed, but we do not guarantee such recovery and will bear no responsibility or liability for damages resulting from incorrect information entered by you.

- ii. **Processing.** We will use reasonable efforts to make all your transfers properly. However, we shall incur no liability if we are unable to complete any transfers initiated by you because of the existence of any one or more of the circumstances described in the "Our Liability" subsection within the Electronic Fund Transfers section above, or if the transfer is refused as described in the "Refused Transfers" section below.
- iii. **Transfer Methods and Amounts.** The "Payment Methods" section of the Bill Pay applies to the External Transfer Service.
- iv. **Transfer Cancellation Requests and Refused Transfers.** You may cancel a transfer at any time until it begins processing (as shown in the External Transfer Service). We will, to the extent permitted by law, make reasonable attempts to return any unclaimed, refused, refunded, prohibited, or denied transfer to your account that we debited for the funds transfer.
- v. **Stop Payment Requests.** If you desire to stop any transfer that has already been processed, you must contact us as provided herein. Although we will make a reasonable effort to accommodate your request, we will have no liability for failing to do so. The charge for each request will be the current charge for stop payment orders as set out in our Fee Schedule.
- vi. **External Transfer Service Fees and Additional Charges.** You are responsible for paying all fees associated with your use of the External Transfer Service. Applicable fees will be

disclosed in the user interface for, or elsewhere within, the External Transfer Service or Site. Any applicable fees will be charged regardless of whether the External Transfer Service was used, except for fees that are specifically use-based. Use-based fees for the External Transfer Service will be charged against the account that is debited for the funds transfer. There may also be charges for additional transactions and other optional services. You agree to pay such charges and authorize us to deduct the calculated amount from the applicable account you hold with us or the account that is debited for the funds transfer, depending on how such charges are described in the user interface for the External Transfer Service. Any financial fees associated with your standard deposit accounts will continue to apply.

- vii. **Refused Transfers.** We reserve the right to refuse any transfer. We will notify you promptly if we decide to refuse to transfer funds. This notification is not required if you attempt to make a transfer that is not allowed under this Agreement.
- viii. **Returned Transfers.** In using the External Transfer Service, you understand that transfers may be returned for various reasons such as, but not limited to, the external account number is not valid. We will use reasonable efforts to research and correct the transfer to the intended account or void the transfer and credit your account from which you attempted to transfer funds. You may receive notification from us.

8. BILL PAY

- a. **Payment Scheduling.** The earliest possible Scheduled Payment Date for each Biller (typically four (4) or fewer Business Days from the current date) will be designated within the application when you are scheduling the payment. Therefore, the application will not permit you to select a Scheduled Payment Date less than the earliest possible Scheduled Payment Date designated for each Biller. When scheduling payments you must select a Scheduled Payment Date that is no later than the actual Due Date reflected on your Biller statement unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, you must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date. Scheduled Payment Dates must be prior to any late date or grace period.
- b. **The Service Guarantee.** Due to circumstances beyond the control of the Service, particularly delays in handling and posting payments by Billers or financial institutions, some transactions may take longer to be credited to your account. The Service will bear responsibility for any late payment related charges up to \$50.00 should a payment post after its Due Date as long as the payment was scheduled in accordance with the guidelines described under "Payment Scheduling" in this Agreement.
- c. **Payment Authorization and Payment Remittance.** By providing the Service with names and account information of Billers to whom you wish to direct payments, you authorize the Service to follow the Payment Instructions that it receives through the payment system. In order to process payments more efficiently and effectively, the Service may edit or alter payment data or data formats in accordance with Biller directives.

When the Service receives a Payment Instruction, you authorize the Service to debit your Payment Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by you. You also authorize

the Service to credit your Payment Account for payments returned to the Service by the United States Postal Service or Biller, or payments remitted to you on behalf of another authorized user of the Service.

The Service will use its best efforts to make all your payments properly. However, the Service shall incur no liability and any Service Guarantee shall be void if the Service is unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances:

- i. If, through no fault of the Service, your Payment Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account;
- ii. The payment processing center is not working properly and you know or have been advised by the Service about the malfunction before you execute the transaction;
- iii. You have not provided the Service with the correct Payment Account information, or the correct name, address, phone number, or account information for the Biller; and/or,

- iv. Circumstances beyond control of the Service (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and the Service has taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing exceptions are applicable, if the Service causes an incorrect amount of funds to be removed from your Payment Account or causes funds from your Payment Account to be directed to a Biller which does not comply with your Payment Instructions, the Service shall be responsible for returning the improperly transferred funds to your Payment Account, and for directing to the proper Biller any previously misdirected transactions, and, if applicable, for any late payment related charges

d. Payment Methods. The Service reserves the right to select the method in which to remit funds on your behalf to your Biller. These payment methods may include, but may not be limited to, an electronic payment, an electronic to check payment, or a laser draft payment (funds remitted to the Biller are deducted from your Payment Account when the laser draft is presented to your financial institution for payment).

e. Payment Cancellation Requests

You may cancel or edit any Scheduled Payment (including recurring payments) by following the directions within the application. There is no charge for canceling or editing a Scheduled Payment. Once the Service has begun processing a payment it cannot be cancelled or edited, therefore a stop payment request must be submitted.

f. Stop Payment Requests

The Service's ability to process a stop payment request will depend on the payment method and whether or not a check has cleared. The Service may also not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to stop any payment that has already been processed, you must contact Member Services. Although the Service will make every effort to accommodate your request, the Service will have no liability for failing to do so. The Service may also require you to present your request in writing within fourteen (14) days. The charge for each stop payment request will be the current charge for such service as set out in the applicable fee schedule.

g. Prohibited Payments

Payments to Billers outside of the United States or its territories are prohibited through the Service.

h. Exception Payments

Tax payments and court ordered payments may be scheduled through the Service, however such payments are discouraged and must be scheduled at your own risk. In no event shall the Service be liable for any claims or damages resulting from your scheduling of these types of payments. The Service Guarantee as it applies to any late payment related changes is void when these types of payments are scheduled and/or processed by the Service. The Service has no obligation to research or resolve any claim resulting from an exception payment. All research and resolution for any misapplied, misposted, or misdirected payments will be the sole responsibility of you and not of the Service.

i. Bill Delivery and Presentment

This feature is for the presentment of electronic bills only and it is your sole responsibility to contact your Billers directly if you do not receive your statements. In addition, if you elect to activate one of the Service's electronic bill options, you also agree to the following:

- i. **Information provided to the Biller** - The Service is unable to update or change your personal information such as, but not limited to, name, address, phone numbers and e-mail addresses, with the electronic Biller. Any changes will need to be made by contacting the Biller directly. Additionally it is your responsibility to maintain all usernames and passwords for all electronic Biller sites. You also agree not to use someone else's information to gain unauthorized access to another person's bill. The Service may, at the request of the Biller, provide to the Biller your e-mail address, service address, or other data specifically requested by the Biller at the time of activating the electronic bill for that Biller, for purposes of the Biller informing you about Service and/or bill information.
- ii. **Activation** - Upon activation of the electronic bill feature the Service may notify the Biller of your request to receive electronic billing information. The presentment of your first electronic bill may vary from Biller to Biller and may take up to sixty (60) days, depending on the billing cycle of each Biller. Additionally, the ability to receive a paper copy of your statement(s) is at the sole discretion of the Biller. While your electronic bill feature is being activated it is your responsibility to keep your accounts current. Each electronic Biller reserves the right to accept or deny your request to receive electronic bills.
- iii. **Authorization to obtain bill data** - Your activation of the electronic bill feature for a Biller shall be deemed by us to be your authorization for us to obtain bill data from the Biller on your behalf. For some Billers, you will be asked to provide us with your user name and password for that Biller. By providing us with such information, you authorize us to use the information to obtain your bill data.
- iv. **Notification** - The Service will use its best efforts to present all of your electronic bills promptly. In addition to notification within the Service, the Service may send an e-mail notification to the e-mail address listed for your account. It is your sole responsibility to ensure that this information is accurate. In the event you do not receive notification, it is your responsibility to periodically logon to the Service and check on the delivery of new electronic bills. The time for notification may vary from Biller to Biller. You are responsible for ensuring timely payment of all bills.
- v. **Cancellation of electronic bill notification** - The electronic Biller reserves the right to cancel the presentment of electronic bills at any time. You may cancel electronic bill presentment at any time. The timeframe for cancellation of your electronic bill presentment may vary from Biller to Biller. It may take up to sixty (60) days, depending on the billing cycle of each Biller. The Service will notify your electronic Biller(s) as to the change in status of your account and it is your sole responsibility to make arrangements for an alternative form of bill delivery. The Service will not be responsible for presenting any electronic bills that are already in process at the time of cancellation.
- vi. **Non-Delivery of electronic bill(s)** - You agree to hold the Service harmless should the Biller fail to deliver your statement(s). You are responsible for ensuring timely

Your enrollment in the Service may not be fulfilled if the Service cannot verify your identity or other necessary information. In order to verify ownership of the Payment Account(s) and/or Billing Account, the Service may issue offsetting debits and credits to the Payment Account(s) and/or Billing Account, and require confirmation of such from you. Through your enrollment in the Service, you agree that the Service reserves the right to request a review of your credit rating at its own expense through an authorized bureau. In addition, you agree that the Service reserves the right to obtain financial information regarding your account from a Biller or your financial institution (for example, to resolve payment posting problems or for verification).

w. Disputes

In the event of a dispute regarding the Service, you and the Service agree to resolve the dispute by looking to this Agreement. You agree that this Agreement is the complete and exclusive statement of the agreement between you and the Service which supersedes any proposal or prior agreement, oral or written, and any other communications between you and the Service relating to the subject matter of this Agreement. If there is a conflict between what an employee of the Service or Member Services says and the terms of this Agreement, the terms of this Agreement will prevail.

Unless expressly stated otherwise, all other terms of this Agreement shall remain in full force and effect.

THE FOREGOING SHALL CONSTITUTE THE SERVICE'S ENTIRE LIABILITY AND YOUR EXCLUSIVE REMEDY. IN NO EVENT SHALL THE SERVICE BE LIABLE FOR ANY DIRECT, INDIRECT, SPECIAL,

INCIDENTAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES, INCLUDING LOST PROFITS (EVEN IF ADVISED OF THE POSSIBILITY THEREOF) ARISING IN ANY WAY OUT OF THE INSTALLATION, USE, OR MAINTENANCE OF THE EQUIPMENT, SOFTWARE, AND/OR THE SERVICE.

9. PAY-A-PERSON (P2P) SERVICE

- a. Description of Service.** The Pay-A-Person (P2P) Service enables you to initiate a payment transaction from an Eligible Transaction Account to an account at a U.S. financial institution. Although the ACH Network is often used to execute Pay-A-Person (P2P) Service payment transactions, other Payment Networks may be used to facilitate the execution and transmission of payment transactions. All payment transactions must be made through the Site and are subject to the terms of this Agreement and applicable laws and regulations, in each case as in effect from time to time..
- b. Amendments.** We may amend this Agreement and any applicable fees and charges for the Service at any time by posting a revised version on the Site. The revised version will be effective at the time it is posted unless a delayed effective date is expressly stated in the revision. Any use of the Service after a notice of change will constitute your agreement to such changes. Further, we may, from time to time, revise or update the Service and/or related applications or material, which may render all such prior versions obsolete. Consequently, we reserve the right to terminate this Agreement as to all such prior versions of the Service, and/or related applications and material, and limit access to only the Service's more recent revisions and updates.
- c. Assignment.** You may not transfer or assign any rights or obligations you have under this Agreement without our prior written consent, which we may withhold in our sole discretion. We reserve the right to transfer or assign this Agreement or any right or obligation under this Agreement at any time to any party.

For example, users of the Service may receive certain notices (such as notices of processed payment transactions, alerts for validation and notices of receipt of payment transactions) as text messages on their mobile phones. All notices by any of these methods shall be deemed received by you no later than twenty-four (24) hours after they are sent or posted, except for notice by postal mail, which shall be deemed received by you no later than three (3) business days after it is mailed. You may request a paper copy of any legally required disclosures and you may terminate your consent to receive required disclosures through electronic communications by contacting us as described in section d above. We reserve the right to terminate your use of the Service if you withdraw your consent to receive electronic communications.

- h. Eligibility.** The Service is offered only to individual residents of the United States who can form legally binding contracts under applicable law. Without limiting the foregoing, the Service is not offered to minors. By using the Service, you represent that you meet these requirements and that you agree to be bound by this Agreement.
- i. Prohibited Payments.** The following types of payments are prohibited through the Service, and we have the right but not the obligation to monitor for, block and/or reverse such payments:

 - (a) Payments to or from persons or entities located in prohibited territories; and (b) Payments that violate any law, statute, ordinance or regulation; and (c) Payments that violate the Acceptable Use terms in section below; and (d) Payments related to: (1) tobacco products, (2) prescription drugs and devices; (3) narcotics, steroids, controlled substances or other products that present a risk to consumer safety; (4) drug paraphernalia; (5) ammunition, firearms, or firearm parts or related accessories; (6) weapons or knives regulated under applicable law; (7) goods or services that encourage, promote, facilitate or instruct others to engage in illegal activity; (8) goods or services that are sexually oriented; (9) goods or services that promote hate, violence, racial intolerance, or the financial exploitation of a crime; (10) goods or services that defame, abuse, harass or threaten others; (11) goods or services that include any language or images that are bigoted, hateful, racially offensive, vulgar, obscene, indecent or discourteous; (12) goods or services that advertise or sell to, or solicit others; (13) goods or services that infringe or violate any copyright, trademark, right of publicity or privacy or any other proprietary right under the laws of any jurisdiction; and (e) Payments related to gambling, gaming and/or any other activity with an entry fee and a prize, including, but not limited to casino games, sports betting, horse or greyhound racing, lottery tickets, other ventures that facilitate gambling, games of skill (whether or not it is legally defined as a lottery) and sweepstakes; and (f) Payments relating to transactions that (1) support pyramid or Ponzi schemes, matrix programs, other "get rich quick" schemes or multi-level marketing programs, (2) are associated with purchases of real property, annuities or lottery contracts, lay-away systems, off-shore banking or transactions to finance or refinance debts funded by a credit card, (3) are for the sale of items before the seller has control or possession of the item, (4) constitute money-laundering or terrorist financing; (5) are associated with the following "money service business" activities: the sale of traveler's checks or money orders, currency dealers or exchanges or check cashing, or (6) provide credit repair or debt settlement services; and (g) Tax payments and court ordered payments. sole responsibility and not ours. We encourage you to provide notice to us by the methods described in section d above of any violations of this section or the Agreement generally.

- j. We and our Service Providers have the right but not the obligation to monitor and remove communications content that we find in our sole discretion to be objectionable in any way. We encourage you to provide notice to us by the methods described in section d above of any violations of this section or the Agreement generally.
- k. Payment Authorization and Payment Remittance.**
- (a) By providing the Service with names and account information of Billers to whom you wish to direct payments, you authorize the Service to follow the Payment Instructions that it receives through the payment system. In order to process payments more efficiently and effectively, the Service may edit or alter payment data or data formats in accordance with Biller directives.
- (b) When the Service receives a Payment Instruction, you authorize the Service to debit your Payment Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by you. You also authorize the Service to credit your Payment Account for payments returned to the Service by the United States Postal Service or Biller, or payments remitted to you on behalf of another authorized user of the Service.
- (c) You acknowledge and agree that if your Payment Instructions identify an account by name and account number, the relevant financial institution may execute those Payment Instructions by reference to the account number only, even if such account number does not correspond to the account name. You further acknowledge and agree that financial institutions holding the account may choose to not investigate discrepancies between account names and account numbers and that we have no responsibility to investigate discrepancies between account names and account numbers.
- (d) You agree that we will not be liable in any way for any payments that you may receive, regardless of whether you authorized the Sender to send them to you.

(e) The Service will use its best efforts to make all your payments properly; which may include grouping payments that share the same remittance destination and estimated arrival date as determined by the United States Postal Service. However, the Service shall incur no liability and any Service Guarantee shall be void if the Service is unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances:

(1) If, through no fault of ours, the Eligible Transaction Account does not contain sufficient funds to complete the payment transaction or the payment transaction would exceed the credit limit of your overdraft account;

(2) The Service is not working properly and you know or have been advised by us about the malfunction before you execute the payment transaction; (3) The payment is refused as described in Section o below;

(4) You have not provided us with the correct information, including but not limited to the correct Payment Instructions or Eligible Transaction Account information, or the correct name and address or mobile phone number of the Receiver to whom you are initiating a payment transaction; and/or,

(5) Circumstances beyond our control (such as, but not limited to, fire, flood, network or system down time, issues with the financial institution, or interference from an outside force) prevent the proper execution of the payment transaction and we have taken reasonable precautions to avoid those circumstances.

(f) It is the responsibility of the Sender and the Receiver to ensure the accuracy of any information that they enter into the Service (including but not limited to the Payment Instructions and name, telephone number and/or email address that the Sender enters for the Receiver to whom you are sending the payment transaction), and for informing us as soon as possible if they become aware that this information is inaccurate. Neither the Sender nor Receiver may use a P.O. Box as a postal address. We will make a reasonable effort to stop or recover a payment transaction made to the wrong person or entity once informed, but we do not guarantee such stoppage or recovery and will bear no responsibility or liability for damages resulting from incorrect information entered by the Sender or Receiver.

- I. Initiation of Payment Transactions.** You may initiate (a) a one-time payment transaction to a Receiver for which processing shall be initiated immediately, (b) a one-time payment transaction to a Receiver for which processing shall be initiated at a later specified date up to one (1) year, and (c) a recurring series of payment transactions to a Receiver for which processing shall be initiated on the specified dates. Further details about each of these options can be found on the Site. Payment transactions initiated to Receivers are processed by providing contact information about the Receiver (including an email address or mobile telephone number) and the Pay-A-Person (P2P) Service may contact the Receiver and request that the Receiver (i) provide information so that we may validate the identity of the Receiver and then (ii) provide Eligible Transaction Account information in order to complete the payment transaction (a "Two-Step Transfer"). You understand and agree that when you initiate a payment transaction from an Eligible Transaction Account using the Pay-A-Person (P2P) Service, the processing of the payment transaction will begin and the debiting of your Eligible Transaction Account will occur as early as the day of such initiation. The funds will be transferred into the Receiver's Eligible Account as early as the same Business Day. If you request a one-time payment transaction to be initiated on a specified date or a recurring

series of payment transactions to be initiated on specified dates, then the processing of the payment transaction will begin on the specified date and the debiting of your Eligible Transaction Account will occur as early as the specified date(s). The funds will be transferred into the Receiver's Eligible Account as early as the same Business Day. In addition, in the case of all Two-Step Transfers, the deposit of the payment funds into the Receiver's Eligible Transaction Account (even if debited or withdrawn from your Eligible Transaction Account) may be delayed if the Receiver has not provided the Pay-A-Person (P2P) Service with certain required information such as his or her Eligible Transaction Account information.

- a. **Payment Methods and Amounts.** We impose limits on the amount of money you can send or receive through our Service. These limits may be adjusted from time-to-time at our sole discretion. You may log in to the Site to view your individual transaction limits. We also reserve the right to select the method in which to remit funds on your behalf, and the method to return funds to you in the event that your Eligible Transaction Account is closed or otherwise unavailable to us. These payment methods may include, but may not be limited to, an electronic or paper check payment.
- b. **Payment Cancellation, Stop Payment Requests and Refused Payments.** Sender may cancel the initiation of a payment transaction or stop a payment transaction at any time until the processing of the payment transaction into the Receiver's Eligible Transaction Account has begun. Our ability to stop a payment transaction or recover funds associated with an unauthorized payment transaction will depend on the manner in which the payment transaction was initiated, and whether the payment transaction to the Receiver's Eligible Transaction Account has begun processing. Although we will make a reasonable effort to accommodate a stop payment request and to recover funds associated with an unauthorized payment transaction, we will have no liability for failing to do so. We may also require you to present your stop payment request or request to recover funds in writing within fourteen (14) days after contacting Member Services. The charge for each stop payment or fund recovery request will be the current charge for such stop payment or funds recovery service as set out in the applicable fee schedule. Payments not claimed by a Receiver will be automatically cancelled ten (10) days after the processing of the payment begins. When a Sender initiates a payment transaction, the Receiver is not required to accept the payment transaction. You agree that you as a Sender will not hold us liable for any damages resulting from a Receiver's decision to accept or not to accept a payment transaction initiated or attempted through the Service. We will, to the extent permitted by law, make reasonable attempts to return any unclaimed, refused, refunded, prohibited, or denied payment to your Eligible Transaction Account or use other reasonable efforts to return such payment to you as permitted by law.
- c. **Your Liability For Unauthorized Transfers.** Immediately following your discovery of an unauthorized payment transaction, you shall communicate with Member Services for the Service in the manner set forth in section above. You acknowledge and agree that time is of the essence in such situations. If you tell us within two (2) Business Days after you discover your password or other means to access your account through which you access the Service has been lost or stolen, your liability is no more than \$50.00 should someone access your account without your permission. If you do not tell us within two (2) Business Days after you learn of such loss or theft, and we can prove that we could have prevented the unauthorized use of your password or other means to access your account if you had told us, you could be liable for as much as \$500.00. If your monthly financial institution statement contains

payment transactions that you did not authorize, you must tell us at once. If you do not tell us within sixty (60) days after the statement was sent to you, you may lose any amount transferred without your authorization after the sixty (60) days if we can prove that we could have stopped someone from taking the money had you told us in time. If a good reason (such as a long trip or a hospital stay) prevented you from telling us, we may in our sole discretion extend the period.

- d. Mobile Phone Users.** Your phone service provider is not the provider of the Service. Users of the Service may receive text messages relating to their payment and other notices. You will receive text messages related to your payment transactions from time to time. Data and messaging charges from your telecommunications provider may apply, and you are responsible for any such charges. In the event your enrolled mobile device is lost or stolen, you agree to update your enrollment information and make the appropriate changes to disable the use of such device. You understand that there are risks associated with using a mobile device, and that in the event of theft or loss, your confidential information could be compromised. It is your responsibility to determine what, if any, taxes apply to the transactions you make or receive, and it is your responsibility to collect, report and remit the correct tax to the appropriate tax authority. We are not responsible for determining whether taxes apply to your transaction, or for collecting, reporting or remitting any taxes arising from any transaction.
- e. Service Fees and Additional Charges.** Applicable fees will be disclosed in the user interface for, or elsewhere within, the Service. Any applicable fees will be charged regardless of whether the Service was used, except for fees that are specifically use-based. There may be a charge for additional transactions and other optional services. You agree to pay such charges and authorize us to deduct the calculated amount from your Personal Payment transaction for these amounts and any additional charges that may be incurred by you. Any financial fees associated with your standard deposit accounts will continue to apply. You are responsible for any and all telephone access fees and/or Internet service fees that may be assessed by your telephone and/or Internet service provider.
- f. Failed Or Returned Payment Transactions.** In using the Service, you are requesting us to attempt to make payments for you from your Eligible Transaction Account. If we are unable to complete the payment transaction for any reason associated with your Eligible Transaction Account (for example, there are insufficient funds in your Eligible Transaction Account, or the payment transaction would exceed the credit or overdraft protection limit of your Eligible Transaction Account, to cover the payment transaction), the payment transaction may not be completed. In some instances, you will receive a return notice from us. In each such case, you agree that:

 - (a) You will reimburse us immediately upon demand the amount of the payment transaction if we have delivered the payment to the Receiver but there are insufficient funds in, or insufficient overdraft credits associated with, your Eligible Transaction Account to allow us to complete the debit processing;
 - (b) For any amount not reimbursed to us within fifteen (15) days of the initial notification, a late charge equal to one and a half percent (1.5%) monthly interest or the legal maximum, whichever rate is lower, for any unpaid amounts may be imposed;
 - (c) You may be assessed a fee by our service provider and by us if the payment transaction cannot be debited because you have insufficient funds in your Eligible Transaction Account, or the transaction would exceed the credit or overdraft protection limit

- of your Eligible Transaction Account, to cover the requested transfer, or if we cannot otherwise collect the funds from you; the fee amount will be as set forth in your fee schedule from us or your account agreement with us. You hereby authorize us to deduct these amounts from your designated Eligible Transaction Account, by ACH debit;
- (d) You will reimburse us for any fees or costs we incur in attempting to collect any amounts from you; and
 - (e) We are authorized to report the facts concerning the return to any credit reporting agency.
- g. Address or Banking Changes.** It is your sole responsibility and you agree to ensure that the contact information in your user profile is current and accurate. This includes, but is not limited to, name, physical address, phone numbers and email addresses. Changes can be made through your Service account, within the user interface of the Service or by contacting Member Services for the Service as set forth in section above. We are not responsible for any payment processing errors or fees incurred if you do not provide accurate Eligible Transaction Account, Payment Instructions or contact information.
 - h. Refused Payments.** We reserve the right to refuse to pay any Receiver. We will notify the Sender promptly if we decide to refuse to pay a Receiver designated by the Sender. This notification is not required if you attempt to make a prohibited payment under this Agreement.
 - i. Returned Payments.** In using the Service, you understand that Receivers may reject payment transactions or otherwise return payments. We will use reasonable efforts to complete payment transactions initiated through the Service.
 - j. Information Authorization.** Your enrollment in the Service may not be fulfilled if we cannot verify your identity or other necessary information. Through your enrollment in the Service as a Sender, you agree that we reserve the right to request a review of your credit rating at our own expense through an authorized bureau. In addition, you agree that we reserve the right to obtain personal information about you, including without limitation, financial information and transaction history regarding your Eligible Transaction Account. You further understand and agree that we reserve the right to use personal information about you for our and our Service Providers everyday business purposes, such as to maintain your ability to access the Service, to authenticate you when you log in, to send you information about the Service, to perform fraud screening, to verify your identity, to determine your transaction limits, to perform collections, to comply with laws, regulations, court orders and lawful instructions from government agencies, to protect the personal safety of subscribers or the public, to defend claims, to resolve disputes, to troubleshoot problems, to enforce this Agreement, to protect our rights and property, and to customize, measure, and improve the Service and the content and layout of the Site. Additionally, we and our Service Providers may use your information for risk management purposes and may use, store and disclose your information acquired in connection with this Agreement as permitted by law, including (without limitation) any use to effect, administer or enforce a transaction or to protect against or prevent actual or potential fraud, unauthorized transactions, claims or other liability. We and our Service Providers shall have the right to retain such data even after termination or expiration of this Agreement for risk management, regulatory compliance, audit reasons and as permitted by applicable law for everyday business purposes. - l. Errors, Questions, and Complaints.**

 - (a) In case of errors or questions about your transactions, you should as soon as possible contact us as set forth in section above.
 - (b) If you think your transaction history is incorrect or you need more information about a transaction listed in the transaction history, we must hear from you no later than sixty (60) days after the transaction in which the problem or error appears is first posted in the transaction history. You must:

 1. Tell us your name;
 2. Describe the error or the transaction in question, and explain as clearly as possible why you believe it is an error or why you need more information; and, 3. Tell us the dollar amount of the suspected error.
 - (c) If you tell us verbally, we may require that you send your complaint in writing within ten (10) Business Days after your verbal notification. We will tell you the results of our investigation within ten (10) Business Days after we hear from you, and will correct any error promptly. However, if we require more time to confirm the nature of your complaint or question, we reserve the right to take up to forty-five (45) days to complete our investigation. If we decide to do this, we will provisionally credit your Eligible Transaction Account within ten (10) Business Days for the amount you think is in error. If we ask you to submit your complaint or question in writing and we do not receive it within ten (10) Business Days, we may not provisionally credit your Eligible Transaction Account. If it is determined there was no error we will mail you a written explanation within three (3) Business Days after completion of our investigation. You may ask for copies of documents used in our investigation. We may revoke any provisional credit provided to you if we find an error did not occur.
- m. Remedies for Breach.** If we have reason to believe that you have engaged in any of the prohibited activities described in this Agreement or have otherwise breached your obligations under this Agreement, we may terminate, suspend or limit your access to or use of the Site or the Service; notify law enforcement, regulatory authorities, impacted third parties, and others as we deem appropriate; refuse to provide our services to you in the future; and/or take legal action against you. In addition, we, in our sole discretion, reserve the right to terminate this Agreement, access to the Site, and/or use of the Service for any reason and at any time.
- n. Disputes.** In the event of a dispute regarding the Service, you and we agree to resolve the dispute by looking to this Agreement. You agree that this Agreement is the complete and exclusive statement of the agreement between us and you, which supersedes any proposal or prior agreement, oral or written, and any other communications between us and you relating to the subject matter of this Agreement. If there is a conflict between the terms of

this Agreement and something stated by an employee or contractor of ours (including but not limited to its customer care personnel), the terms of this Agreement will prevail.

- o. Arbitration.** For any claim (excluding claims for injunctive or other equitable relief) where the total amount of the award sought is less than \$10,000.00 USD, the party requesting relief may elect to resolve the dispute in a cost effective manner through binding nonappearance-based arbitration. If a party elects arbitration, that party will initiate such arbitration through Judicial Arbitration and Mediation Services ("JAMS"), the American Arbitration Association ("AAA"), or an established alternative dispute resolution (ADR) administrator mutually agreed upon by the parties. The parties agree that the following rules shall apply: (a) the arbitration may be conducted telephonically, online and/or be solely based on written submissions, at the election of the party initiating the arbitration; (b) the arbitration shall not involve any personal appearance by the parties or witnesses unless otherwise mutually agreed by the parties; (c) discovery shall not be permitted; (d) the matter shall be submitted for decision within ninety (90) days of initiation of arbitration, unless otherwise agreed by the parties, and the arbitrator must render a decision within thirty (30) days of submission; and (e) any award in such arbitration shall be final and binding upon the parties and the judgment there may be entered in any court of competent jurisdiction. The parties acknowledge that remedies available under federal, state and local laws remain available through arbitration.
- p. Law and Forum for Disputes.** Unless our account agreement with you states otherwise, this Agreement shall be governed by and construed in accordance with the laws of the State in which you reside, without regard to its conflicts of laws provisions. To the extent that the terms of this Agreement conflict with applicable state or federal law, such state or federal law shall replace such conflicting terms only to the extent required by law. Unless expressly stated otherwise, all other terms of this Agreement shall remain in full force and effect. Unless our account agreement with you states otherwise, you agree that any claim or dispute you may have against us (other than those which are arbitrated under section above) must be resolved by a court located in the county in which you reside. You agree to submit to the personal jurisdiction of such courts for the purpose of litigating all such claims or disputes. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement. Both parties agree to waive any right to have a jury participate in the resolution of any dispute or claim between the parties or any of their respective Affiliates arising under this Agreement.
- q. Indemnification.** You agree to defend, indemnify and hold harmless us and our Affiliates and Service Providers and their Affiliates and the employees and contractors of each of these, from any loss, damage, claim or demand (including attorneys' fees) made or incurred by any third party due to or arising out of your breach of this Agreement and/or your use of the Site or the Service.
- r. Release.** If you have a dispute with one or more other users of the Site or the Service, you release us and our Affiliates and Service Providers and the employees and contractors of each of these, from any and all claims, demands and damages (actual and consequential) of every kind and nature arising out of or in any way connected with such disputes. In addition, you waive California Civil Code 1542, which states that a general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if not known by him must have materially affected his settlement with the debtor.

- s. **No Waiver.** We shall not be deemed to have waived any of our rights or remedies hereunder unless such waiver is in writing and signed by one of our authorized representatives. No delay or omission on our part in exercising any rights or remedies shall operate as a waiver of such rights or remedies or any other rights or remedies. A waiver on any one occasion shall not be construed as a bar or waiver of any rights or remedies on future occasions.
- t. **Exclusions of Warranties.** THE SITE AND SERVICE AND RELATED DOCUMENTATION ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF TITLE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT. IN PARTICULAR, WE DO NOT GUARANTEE CONTINUOUS, UNINTERRUPTED OR SECURE ACCESS TO ANY PART OF OUR SERVICE, AND OPERATION OF OUR SITE MAY BE INTERFERED WITH BY NUMEROUS FACTORS OUTSIDE OF OUR CONTROL. SOME STATES DO NOT ALLOW THE DISCLAIMER OF CERTAIN IMPLIED WARRANTIES, SO THE FOREGOING DISCLAIMERS MAY NOT APPLY TO YOU. THIS PARAGRAPH GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE.

10. MOBILE DEPOSIT ("Mobile Deposit Service," "Check Deposit Service" or "Service")

- a. **Description of the Service.** The Service enables you to use a Sacramento Credit Union's Mobile Banking application and certain hardware (such as a Smartphone or other mobile device) to (i) create electronic images of the front and back of certain Paper Items¹ and (ii) transmit those images and other information, including, without limitation, information captured from the magnetic ink character recognition ("MICR") line, to us for review and processing in accordance with this Agreement. "Electronic Item" means the electronic image of each Paper Item and other information captured from the Paper Item. After we receive your transmission, we will review each Electronic Item. For each Electronic Item that we determine is eligible for processing as described below, we will:
 - i. Create a substitute check that we will present directly or indirectly to the bank (a) on which the original Paper Item to which the Electronic Item relates is drawn, or (b) at or through which the Paper Item is payable (each, the "Paying Bank");
 - ii. Include the Electronic Item in an electronic file for presentment directly or indirectly to the Paying Bank; or
 - iii. Present or post any Electronic Item for which we are the Paying Bank.
- b. **Qualification.** In order to enroll in the Service, you must be designated as an authorized signer or owner of a Credit Union Account (an "Account") that is eligible for this Service, and be approved by the Credit Union.
- c. **Conditions to Provision of the Service.** As conditions to provision of the Service, you shall (a) maintain the Account in good standing, (b) subscribe to Sacramento Credit Union Online Banking, and (c) comply with such restrictions on the Service as we may communicate to you from time to time. Your use of the Service constitutes your acceptance of this Agreement. The Credit Union reserves the right to change the terms and charges for the Service described in this Agreement by notifying you of such change in writing and the Credit Union may amend, modify, add to, or delete from this Agreement from time to time. Your continued use of the Service will indicate your acceptance of the revised Agreement.
- d. **Compliance with Laws.** You agree to comply with all laws, statutes, regulations and ordinances pertaining to your use of the Service, as well as all laws relating to the banking

transactions contemplated hereunder. You also agree to be bound by any clearinghouse rules or agreements, operating circulars, image exchange agreements, and other documents to which we are a party that govern the Service we provide. You promise to indemnify and hold us harmless from any damages, liabilities, costs, expenses (including attorneys' fees) or other harm arising out of any violation thereof. This indemnity shall survive termination of your Account with us and this Agreement.

- e. Limitations of Service.** When using the Service, you may experience technical or other difficulties. We cannot assume responsibility for any technical or other difficulties or any resulting damages that you may incur. The Service has qualification requirements, and we reserve the right to change the qualifications at any time without prior notice. We reserve the right to change, suspend or discontinue the Service, in whole or in part, or your use of the Service, in whole or in part, immediately and at any time without prior notice to you.
- f. Fees.** The Service is provided at no charge to you at this time. We may, upon at least thirty (30) days prior notice to you, to the extent allowed by applicable law, charge a fee for use of the Service. If you continue to use the Service after the fee becomes effective, you agree to pay the service fee that has been disclosed to you, as may be amended from time to time. Further, you will be required to designate an account at the Credit Union from which fees for the Service will be debited (your "Billing Account"). If the Billing Account is closed, or if the Billing Account does not have sufficient available funds to cover the fees, you authorize us to charge any such fees to any other deposit account you maintain with us.
- g. Creating and Transmitting Electronic Items to the Credit Union.** You agree to photograph and deposit only "checks" as that term is defined in Federal Reserve Regulation CC ("Regulation CC"). You agree that the image of the check transmitted to us shall be deemed an "item" within the meaning of Article 4 of the Uniform Commercial Code as adopted in California. You understand and agree that the following items may not be deposited through the Service: international checks, "remotely created checks" as defined by Regulation CC (whether in paper form or electronically created), checks drawn against a line of credit, cash, any third party check (i.e., any item that is made payable to another party and then endorsed to you by such party), any item drawn on your personal Account at the Credit Union, any item that contains evidence of alteration to the information on the check, any check previously converted to a "substitute check" as defined in Regulation CC, any item that is "stale dated" more than six (6) months prior to the date of deposit, any item that is "post dated" after the date of deposit, any item stamped "non-negotiable" (whether stamped in print or as a watermark), any item that has been re-deposited or returned such as "non-sufficient funds" or "refer to maker" or returned for any other reason, any item that is incomplete, or savings bonds. Deposits of this nature will result in the immediate termination of the Service. Except as noted in the preceding sentence, only checks, money orders, cashier's checks, or traveler's checks, drawn on or payable at or through a U.S. bank, can be transmitted through the Service. Additionally, only Items that are made payable to, and endorsed by, you may be transmitted through the Service.
- h. Check Requirements.** Any image of a check that you transmit to us must accurately and legibly provide all of the information on the front and back of the check at the time of presentment to you by the drawer. Prior to taking the picture of the Paper Item, you will restrictively endorse any item transmitted through the Service as "For Mobile Deposit Only" or as otherwise instructed by the Credit Union. You agree to follow any and all other procedures and instructions for use of the Service as we may establish from time to time.

The photographed image of the check transmitted to us using the Service must accurately and legibly provide, among other things, the following information: (a) your endorsement; (b) the information identifying the drawer and the Paying Bank that is preprinted on the check, including complete and accurate MICR information and the signatures; (c) the restrictive endorsement "For Mobile Deposit Only" on the back of the check; and (d) other information placed on the check prior to the time an image of the check is captured, such as any required identification written on the front of the check and any endorsements applied to the back of the check. The image quality of the check must comply with the requirements established from time to time by the American National Standards Institute ("ANSI"), the Board of Governors of the Federal Reserve Board, including the requirements under Regulation CC, or any other regulatory agency, clearing house or association.

- i. Processing Your Electronic Item(s).** If you transmit your Electronic Item(s) to the Credit Union before 3:00 PM Pacific Time (the "Cut-Off Time") on any Business Day,² we shall review and process your Electronic Item(s) on that Business Day. If you transmit your Electronic Item(s) to us after the Cut-Off Time on any Business Day, we shall review and process your Electronic Item(s) on the next Business Day. Your Electronic Item(s) is deemed to have been received by the Credit Union when the Service generates a confirmation message. You understand that, in the event you receive a notification from us confirming receipt of an image, such notification does not mean that the image contains no errors or that we are responsible for any information you transmit to us. We are not responsible for any image that we do not receive.
- j. Exception Items.** Each Business Day on which we review and process your Electronic Item(s), we will use commercially reasonable efforts to review each Electronic Item and to reject any Electronic Item that we in our sole discretion determine to be ineligible for the Service (each, an "Exception Item"). Exception Items include, without limitation, an Electronic Item that (a) is illegible or contains MICR data that is not machine-readable, (b) was previously processed as an Electronic Item, or (c) is drawn on a bank or banks located outside the United States and is not payable at or through a bank located within the United States. We will notify you of each Exception Item through the Sacramento Credit Union Mobile Deposit History, or other communication channels at our discretion. If you wish to attempt to deposit any Exception Item to your Account, you shall do so only by depositing the original Paper Item on which the Exception Item is based or as otherwise agreed between you and the Credit Union. Even if we do not initially identify an Electronic Item as an Exception Item when we review and process the Electronic Item to which the Exception Item relates, the Electronic Item, substitute check, or the purported substitute check created by us from it may nevertheless be returned to us because, among other reasons, the Paying Bank determines that such item or check is illegible or missing an image. Our failure to identify an Exception Item shall not preclude or limit your obligation to the Credit Union under Paragraph U. We are not liable for any service or late charges levied against you due to our rejection of any item. In all cases, you are responsible for any loss or overdraft plus any applicable fees to your Account due to an item being returned.
- k. Deposits to the Account.** Subject to our right to identify and reject Exception Items, we shall be deemed to have accepted each Electronic Item that is not an Exception Item for deposit to the Account on the Business Day that we process the Electronic Item and provide a confirmation message in accordance with Paragraph I. You understand and agree that, for purposes of deposits made using the Service, the place of deposit is Sacramento, California.

You understand that following our receipt and processing of the image, funds from the check will be made available for your withdrawal and/or use in accordance with the terms and conditions of our Regulation CC policy previously provided to you. You understand that we may make such funds available sooner based on such factors as creditworthiness, the length and extent of your relationship with us, transaction and experience information, and such other factors as we, in our sole discretion, deem relevant. You also understand that credit is provisional until settlement is final, and you agree to indemnify us against any loss we suffer because of our acceptance of the check deposited through the Service.

- l. Email Address.** You agree to notify us immediately if you change your email address, as this is the email address where we will send you notification of receipt of items deposited through the Service.
- m. Unavailability of Service.** You understand and agree that the Service may at times be temporarily unavailable due to Credit Union system maintenance or technical difficulties including those of the Internet service provider and Internet software. In the event that the Service is unavailable, you acknowledge that you can deposit an original Paper Item at our branches or through our ATMs or by mailing the original Paper Item to Sacramento Credit Union, PO BOX 2351, Sacramento, CA 95812-2351. It is your sole responsibility to verify that items deposited using the Services have been received and accepted for deposit by us.

- o. In Case of Errors.** You agree to immediately notify us of any suspected errors regarding checks deposited through the Service by calling (916) 444-6070.
- p. Periodic Statement.** Any deposits made through the Service will be reflected on your monthly periodic statement. You understand and agree that you are required to notify us of any error relating to images transmitted using the Service by no later than sixty (60) days after you receive the monthly periodic statement that includes any transaction you allege is erroneous. You are responsible for any errors that you fail to bring to our attention within such time period.
- q. Ownership & License.** You agree that we retain all ownership and proprietary rights in the Service, associated content, technology, and website(s). Your use of the Service is subject to and conditioned upon your complete compliance with this Agreement. Without limiting the effect of the foregoing, any breach of this Agreement immediately terminates your right to use the Service. Without limiting the restriction of the foregoing, you may not use the Service (a) in any anti-competitive manner, (b) for any purpose which would be contrary to the Credit Union's business interest, or (c) to the Credit Union's actual or potential economic disadvantage in any aspect. You may not copy, reproduce, distribute or create derivative works from the content and agree not to reverse engineer or reverse compile any of the technology used to provide the Service.
- r. Security Procedures.** Any individual authorized by you to access the Service (a "User") shall do so by entering a user name and a password, or other unique identifier that may be required (collectively referred to herein as "Security Credentials"). No person employed by the Credit Union shall have access to any Security Credentials you or your Users create.

FAILURE TO PROTECT YOUR HARDWARE AND SECURITY CREDENTIALS MAY ALLOW AN UNAUTHORIZED PARTY TO ACCESS THE SERVICE AND TRANSMIT AN ELECTRONIC ITEM FOR

- t. LIMITATION OF LIABILITY.** YOU UNDERSTAND AND AGREE THAT WE WILL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, PUNITIVE, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES, INCLUDING, BUT NOT LIMITED TO DAMAGES FOR LOSS OF PROFITS, GOODWILL, USE, DATA OR OTHER LOSSES RESULTING FROM OR ATTRIBUTABLE TO THE USE OR THE INABILITY TO USE THE SERVICE INCURRED BY YOU OR ANY THIRD PARTY ARISING FROM OR ATTRIBUTABLE TO THE USE OF, INABILITY TO USE, THE TERMINATION OF THE USE OF THE SERVICE, OR YOUR BREACH OF THIS AGREEMENT, REGARDLESS OF THE FORM OF ACTION OR CLAIM (WHETHER CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE), EVEN IF THE CREDIT UNION HAS BEEN INFORMED OF THE POSSIBILITY THEREOF.

secure retention, storage, and destruction of original Paper Items for which you have created an Electronic Item. You agree that after transmitting the Electronic Item to us, you will retain the original Paper Items for a minimum of thirty (30) calendar days, but no longer than sixty (60) calendar days, from the transmission date (the "Retention Period"). You will retain and store the original Paper Items in a secure and locked container that is only accessible by persons needing access to such Paper Items.

During the Retention Period and upon our request, you agree to provide us with the original Paper Item(s). Once the Retention Period has expired, you will securely and irretrievably destroy original Paper Items from which you have previously created and submitted to us an Electronic Item. b. e-Statements

- i. **Description of e-Statements.** We offer online statements for certain Eligible Accounts, allowing you to replace your mailed (paper) statement with an electronic version (PDF) that you can view on the Site, save to your computer, or print at your convenience. Any legal notices or disclosures that normally accompany your mailed statement or that we would otherwise deliver to you by mail concerning your Eligible Account may be delivered to you electronically. We may, at our option, offer you additional options and preferences for the delivery of various types of communications related to your Eligible Accounts or Online Financial Services. From time to time, we may add to, modify, or delete any feature of online statements in our sole discretion.
- ii. **Eligible accounts for e-Statements.** Most consumer checking, savings, money market and loan accounts that have recurring periodic statements are eligible for online statements.
- iii. **Enrollment for e-Statements.** The e-Statement option for Eligible Accounts is available if you have enrolled in the Service and provided us with a valid email address for the Service. Enrolling for e-Statements will automatically mean that we will no longer mail paper statements to you for that account. With respect to deposit accounts, you may view online images of the individual checks posted to your account. You may request that a photocopy of a cancelled check be mailed to you. Additional fees for photocopies may apply. We may, in our discretion, apply your current e-Statement delivery elections for an existing eligible account to any account that replaces or refinances the existing eligible account.
- iv. **Accessing your e-Statements.** Your e-Statement and legal notices and disclosures will be presented to you on the Site. You will need to ensure that your computer software meets the requirements provided on the Site in order to view, print, and/or save your online statement and legal notices. Depending on the type of account, your statements are available online for up to a maximum of 3 years. The statements for some types of eligible accounts are only available for shorter periods. You will continue to have the

option to request historical statements, for which fees may apply; please refer to the applicable account agreement and disclosures for details.
